1 = List prices for vacant lots owned by City (Lots 1-4 & 6-15) are currently \$12,500 per acre with full City services (price is negotiable depending on amount of private investment, job creation, etc.) The City has adjusted the list price for vacant lots several times over the years: 9/82=\$1,000/acre; 12/93=\$5,000/ac; 9/95=\$9,000/ac; 3/99=\$12,500/ac.

List prices for parcels/buildings for sale by private parties are based on most recent real estate listing or were asking prices prior to noted sale.

2 = Sale prices for all parcels/buildings are based on prices recorded with the property transfer document (deed, land contract, etc.)

3 = Property Sold indicates either vacant land sold by the City or land with or without a building as sold by a private party or both.

4 = Sale Date indicates either the sale of vacant land by the City or the sale of land with or without a building by a private party or both.

5 = GSF (Gross Square Feet) 6 = Addresses for unsold lots are tentative until building & driveway locations are determined.
