(Data/Common/Forms/ROW Permit Application)

Terms and Conditions:

1. **Specifications.** All work performed under this permit must comply with the City's current requirements and specifications on file at its offices and MDOT specifications if in state highway right-of-way.
2. **Bond.** Contractor Permit Holder shall be bonded as required by the State of Michigan at the time permit is issued.
3. **Insurance.** Permit Holder shall maintain insurance in such amounts and covering such risks with respect to its business as is usually carried by companies engaged in similar businesses, either with reputable insurance companies or, in whole or in part, by establishing reserves or self-insurance, either alone or with other companies or associations.
4. **Miss Dig.** When applicable, Permit Holder shall contact the Utility Communications System (Miss Dig), phone number (800) 482-7171, in accordance with Michigan Compiled Law 460.701 et seq., as amended by Public Act 174 of 2013 and any future amendments. Permit Holder assumes all responsibility for damage to or interruption of underground utilities.
5. **Restoration and Repair of Road.** Permit Holder agrees to restore that portion of the road right-of-way disturbed by Permit Holder's activities pursuant to this permit to a condition as equal to the condition before the work began and deemed acceptable by the City.
6. **Roads and Public Places Obstructions.** Permit Holder shall not obstruct any roads and/or public places longer than is deemed necessary by City, while carrying out the activities covered herein. At any time should the City deem it necessary for Permit Holder to remove an obstruction created by Permit Holder of a road and/or public place, Permit Holder shall work with City to accommodate said request in a timely manner.
7. **Limitation of Permit.** This permit does not relieve Permit Holder from meeting other applicable laws and regulations of other agencies. Permit Holder is responsible for obtaining additional permits or releases which may be required in connection with this work from other governmental agencies, public utilities, corporations and individuals, including property owners
8. **Violation of Permit.** If Permit Holder violates the terms of this permit, then City may suspend or revoke this permit until such time as Permit Holder corrects said violation.
9. **Assignability.** This permit may not be assigned without the prior approval of the City. If approval is granted, the assignor shall remain liable and the assignee shall be bound by all the terms of this permit.
