## FIREWORKS LAWS

Fireworks sold within the state are now allowed to be much louder and can leave the ground. Public Act 256 of 2011 legalizes consumer fireworks like bottle rockets and roman candles. Prior to the rule changes, Michigan's firework laws were relatively restrictive. The only fireworks allowed for legal use were novelty fireworks that did not leave the ground or explode, such as sparklers or smoke bombs.

### Consumer Fireworks are regulated as follows

- (1) A person shall not ignite, discharge, or use consumer fireworks on public property, school property, church property, or the property of another person without that organization's or person's express permission to use those fireworks on those premises.
- (2) Consumer fireworks shall not be sold to a minor.
- (3) An individual shall not use consumer fireworks or low-impact fireworks while under the influence of alcoholic liquor, a controlled substance, or a combination of alcoholic liquor and a controlled substance.
- (4) Local Ordinance does not allow for disturbing the peace. No person shall disturb the public peace and quiet by loud, boisterous or vulgar conduct or by making such excessive, unnecessary, or unusually loud noise, whether on public or private property, nor allow others under his control or direction to make such noise, which disturbs the peace, good order, health and safety of other persons, a neighborhood or the community in general.

### REMEMBER THESE FIREWORKS SAFETY TIPS

- always have adult supervision
- use outdoors only
- never re-light a dud (wait 15-20 minutes and put it in the bucket)
- make sure the area is clear of combustibles
- dispose of fireworks, especially sparklers, by soaking in water before placing them in a trash can
- buy from reliable sources
- always have water (a hose and a bucket) nearby
- never throw or point fireworks at other people
- don't mix alcohol and fireworks
- light one firework at a time

## DEADHEAD COMMITTEE VOLUNTEERS STILL NEEDED!

Members of the Deadhead Committee work hard beautifying our Downtown: pulling weeds, cleaning and maintaining the flowerbeds, flower pots, sidewalks and alleyways, and of course "deadheading." If you see a Deadhead volunteer hard at work during this season, which is from June to September, please thank them for their community service! These individuals put a lot of time and effort in to keep our Downtown looking beautiful; we greatly appreciate all their hard work and service.

At this time we are looking for a few more volunteers to join the committee. This is a great opportunity for students as well, who may be looking for a few volunteer hours. Such hours are determined based on your individual schedule and availability. Please contact the City Office at 231-924-2101 if you have the time and motivation to serve, or have questions at all about the program.

## DEER MANAGEMENT

The City of Fremont encourages residents to not feed deer on their property. As part of our deer management program, we ask residents to use deer-deterrent on their plants as needed. Please report any nuisance or property damage caused by deer to the Fremont Police Department. This information is very helpful when we work with the DNR biologists for our deer management program.

## FREMONT FARMERS' MARKET SCHEDULE

### Dates and Times:

Starting: June 25, 2022

Saturdays: 8:00 a.m. – 1:00 p.m.

Ending: October 1, 2022

**Location:** The Fremont Farmers' Market is located downtown Fremont in the northeast public parking lot north of Main Street between Merchant Avenue and Division Avenues.

**Community Information Booth:** At the Farmers' Market in the middle of the pavilion, there will be an information center/promotion area for businesses located in the City. A different retail establishment each market day will promote its business at the booth by displaying its goods. Any Fremont retail establishment will be able to display promotional information at this booth throughout the season.

The Fremont and Newaygo Farmers Markets, in conjunction with True North Community Services, are pleased to announce that SNAP and Double Up Food Bucks Programs are back at the Market! The standard Bridge Card program will be implemented and available for purchases at both Fremont and Newaygo Farmers Markets. To receive your tokens from the SNAP and the Double Up Food Bucks programs, you will need to stop by True North Community Services Food Pantry at 6308 S. Warner, Fremont. Their staff will run your bridge card between the hours of 8:30 a.m. to 4 p.m. Monday through Friday, and you will then be able to use these tokens at the Fremont Farmers Market.

For more information on the Fremont Farmers' Market, please contact the Fremont Area Chamber of Commerce at 924-0770.

## CURBSIDE REFUSE SERVICE

Each residential dwelling may choose to use a 65- or 95-gallon rollout cart (garbage container with wheels- see picture) or buy the Mixed Refuse bags with the Republic Services logos. Cart lids must be within 15" of being closed and overloaded carts may not be emptied. In the event an overloaded cart is dumped any refuse that does not make it into the truck is the homeowner's responsibility. Any additional garbage that will not fit into the 65/95-gallon cart must be placed in the specially purchased **Mixed-Refuse Bags** and placed beside the cart.

Trash carts and recycle bins need to be at least 2 feet apart. Recycle bins and trash carts must always be accessible for easy collection by the hauling trucks and when they are to close the garbage hauler does not have sufficient room for the extended pickup arms. Please remember there are two separate companies that collect refuse and recycling, with different pickup processes.

Empty carts and recycling bins must be removed from the curbside and placed in garages or side yards by 12:00 PM (noon) of the day after the scheduled pickup.

**Effective April 1, 2022,** for the 65-gallon rollout cart has increased to \$34.80/quarter and the 95-gallon rollout cart has increased to \$40.65/quarter. The mixed refuse bags are \$3.00 per bag, or \$36.00 for a box of 12. The bulk item and appliance tags are \$15.00 per tag.

Except for new residents the City only permits residents to stop and start their refuse service during the first two weeks of January and July each year, the property owner of the collection address may elect to change service from a roll-out cart to mixed-refuse bags or vice-versa by notifying the City Offices. **Changes are only allowed during these two-week periods.** Reminder: Any large items require a bulky sticker or appliance sticker which can be purchased at City Hall or Family Fare.

## RECYCLING – SINGLE STREAM

Curbside recycling is a single-stream process, whereas all recyclables can be co-mingled in the blue recycling container. Make sure you place paper products at the bottom of the bin to prevent them from blowing out.

**Effective April 1, 2022**, curbside recycling has increased to \$14.40/quarter. Residents on refuse bag service who receive a quarterly bill for only recycling services are welcome to pay for their recycling services in advance on an annual basis to avoid writing a check for such a small amount each quarter. Because rate adjustments are done in April, paying ahead could affect your first billing; after the credits have been used, you may receive a bill for the small difference. Paying ahead can also save on the City's printing and mailing costs, thus allowing us to maintain our current low rates.

## BRUSH PICKUP

As a reminder, City crews resumed the monthly curbside brush pickup on April 4. The program will run on the 1st Monday of each month, April - October. Brush is not to be placed at the curbside any earlier than the Friday before the 1st Monday of the month. If you have questions regarding the brush pickup program, please call the City Offices @ 924-2101, Monday-Friday, between 8 AM & 5 PM.

## REMAIN SECURITY CONSCIOUS

In these economic times, it is important to remain security conscious and to be aware of your surroundings. Keep your homes and garages locked when you are away and be sure to remove your keys from the ignition, and lock your vehicles whether your car is in your driveway at home, in store parking lots, or at school. Leave only those items in your yard that you can afford to lose, especially overnight. Finally, be respectful of your neighbors; watch out for each other and each other's property. If you have elderly neighbors, please check on them occasionally. Working together we will keep the City of Fremont a great place to live, work and play.

If you ever need assistance, please contact the Newaygo County Central Dispatch Center for help. During emergencies, please call 9-1-1. If during an emergency and you cannot call, our dispatch center does allow emergency 911 texts to dispatch. Simply send a text to 911 with your location. Non-emergencies should be directed to 231-689-5288. The dispatch center will contact a Fremont Police Officer by way of the radio for a quick response.

The Fremont Fire Department is accepting applications for paid on-call firefighters and also medical first responders. The Department has well trained firemen who provide training. You don't have to be both; you can be a fire fighter or a medical first responder!

Applicants must be 18, have a valid driver's license, and live within a 5-miles of the City limits. Applications for either position can be picked up at city hall. If you have any questions, please call the Fremont Fire Department at 231-924-2103.

## Fremont's Late Summer Annual

The late summer date is scheduled for **August 11th – 13th, 2022** the deadline to sign up is August 1st .

To participate, all you have to do is call or come into the Fremont City Office, give us your name, address and phone number, and you're on the list! You can sign up for all 3 days, or just 1 day. City Offices are

open Monday thru Friday, 8:00 a.m. to 5:00 p.m. If you have any questions, please feel free to call us at 924-2101.

Except for the City's coordinated community yard sales, the City will be enforcing its' regulations on garage sale signs this summer. While many are thankful the City is doing so; others do not appreciate the effort. The regulations are being enforced because 1) the Michigan Department of Transportation (MDOT) does not allow signs in their right-of-way, and many of the signs are placed along Main Street and Stewart Avenue in the MDOT right-of-way; 2) for safety reasons, signs should not be attached to utility poles; and 3) the signs are unattractive and often the signs are not taken down after the sale. Everyone has worked hard to keep Fremont looking neat, clean and beautiful for all to enjoy, so ridding the City of unnecessary signs is part of that effort.

The City understands that garage sales are important to many people, so as a result, the City organizes community garage sales in May and August. The more people that participate in the community garage sale, the more energy the event will create. This translates into more people attending the various garage sales, which includes having visitors from outside the community take part; visitors who are good for local businesses. The community garage sales could have a positive economic impact not only for the individual home owner but for the community at-large.

## PARKING RV'S & TRAILERS IN THE STREETS

Last year the City made some changes to the ordinances that regulate the parking of recreational vehicles and trailers in the street public right of ways (ROW.) Most street public ROW's include 100% of the street and area between the sidewalks and curbing on each side of the street. If a sidewalk is not present, then the ROW area typically extends 15' from the curb into the yard.

Campers and trailers not connected to a vehicle cannot be parked in the street or the parkway between the curb and sidewalk. While disconnected they are not only a safety hazard, but unappealing to the neighborhood. Residents should be aware that parking of "unlicensed" vehicles, recreational vehicles and trailers is also not permitted in public right of ways or front yards.

## BURNING ORDINANCE WITHIN CITY LIMITS

### Section 4.1 (D)

Public or private bonfires in which material would **exceed three (3) feet in diameter** require a permit issued by the City Clerk and are subject to prior approval of the City Fire Department. Such approval may be granted at the sole discretion of the Clerk and Fire Department based upon:

- i. The proximity of the proposed bonfire to dwellings, trees and other structures.
- ii. Facilities available for fire management.
- iii. Atmospheric conditions.
- iv. Type of material to be burned.
- v. Any other consideration judged by the Clerk or Fire Department to be required to ensure safe burning.

The City offices are open Monday thru Friday, 8:00 a.m. to 5:00 p.m. If you have any questions, please feel free to call us at 924-2101.
